

Find a ball or a bean bag that does not roll too far and play throw and catch. Or use a toy pet to make it more fun. When throwing ask:

## Level 1

**“Name?” or “Your Name?”**

If the child hesitates to reply, guess possible names and gesture yes/no.

## Level 2

Leader throws and asks, children throw it back to him. From last class the rules are clear now.

**“What is your name?”**

## Level 3

Let children be the leaders and throw the ball to each other and ask:

**“Your Name?”**

**“What is your name?” answer “I am ....”**

## Level 4

You may also reply

**“Nice to meet you!”**

Use toys to ask kids too. Enjoy the game! 😊
