

For this very nice color finding game prepare a bowl full of beans and colorful objects to hide.

When hiding objects start saying:
“Close your eyes, no looking.”
„I am hiding it.”
“Open your eyes.”

Start playing:

“Find something **blue**, find something **green**, **pink**, **yellow**, **red**, **purple**, **black**.”

“Where is it? Here?”

“Yes! Great, you found it!”

“Now your turn.”

Enjoy the game!

Using all senses improves learning and kids really love this activity. Do not forget to take turns and let them be the leader too 😊
