

“CLOSE YOUR EYES.

OPEN YOUR MOUTH.

WHAT IS IT?”

Let's explore four basic senses. Choose various types of food. Something:

- **Sweet** such as apples, bananas
- **Sour** such as apples with lemon
- **Salty** such as popcorn or chips
- **Bitter** such as a bitter chocolate

Comment what is it and how it tastes:

„Yummy, it is something sweet!“

„I think it is ...“

„Do you like it? I like it!“ or

„No, I don't. Yucky!“

Take turns and have fun!
