

Let easy magic tricks begin the fun.
Say for example:

**Abracadabra, there are no children
but TREES**

Change the position to be a tree, children
will follow.

**Abracadabra, there are no trees
but BUTTERFLIES.**

Wave your arms and pretend to fly.

**Abracadabra, there are no butterflies
but HORSES.**

Gallop like a horse.

Add some more or end the game with
**Abracadabra, there are no horses
but CHILDREN.**

“GREAT JOB, WELL DONE 😊”
